

102.1 the Edge On Air

102.1 the Edge begins each day at 5:30 a.m. with **The Dean Blundell Show**, the longest-running commercial radio show in Toronto and there is no sign of them stopping their madness anytime soon. The hilarious antics continue with such guests as Lesbian Lou, Dr. Sex, Asian correspondent Qi Min Sheng and Psychic Nikki. Special features include *Wha Happened*, *What's Wrong with You*, *Listener Email*, *Stump the Show* and *The Edge Files*.

At 10 a.m., **Josie Dye** takes over with features such as *Ask Josie* and the *90's Nooner* with requests for new rock's favourites from the best of the decade.

The antics of superhero and comic book fanatic **Fearless Fred** start at 2 p.m. including the *Fearless at 5*. At 5 p.m., Fearless Fred counts down the favourite new rock songs of the day as voted by Edge listeners from our website.

At 7 p.m., Dave Bookman, aka "Bookie" carries the Edge until 11 p.m. featuring interviews with some of music's biggest and most influential new rock artists.
